Steba Elektrogeräte is a family-run, third-generation business headquartered in the Bamberg district. Over the past 100 years, Steba has established itself as a leading manufacturer of small electrical appliances and currently offers five product categories: Baking, Barbecue & Savour, Cooking, Kitchen Gadgets, and Air Treatment – with products that regularly receive awards.

To this day, renowned companies commission Steba to develop and produce appliances and components for further processing. Steba employs approximately 50 people and manufactures contact grills and raclettes directly in Strullendorf, Upper Franconia, which are exported to approximately 35 countries. With the "Made in Germany" seal of approval, this traditional company stands for high quality standards and outstanding service – and has done so for over 100 years.
